# Do you Know?

## What are THECARD NFC STANDEES?

THECARD NFC Standee has Pen Holder and Mobile Charging Cutouts and is a multifunctional, contactless solution designed to enhance customer engagement and streamline information sharing in various business settings. This innovative standee allows customers to access information or perform actions—such as leaving reviews or making payments—with a simple tap or scan, without the need for additional apps.

## Where and When to Use THECARD NFC STANDEES?

**Customer Reviews:** Place the NFC Standee at your establishment to encourage customers to leave reviews on platforms like Google, Justdial, Tripadvisor, or Booking.com. A tap or scan directs them to your review page, simplifying the process and boosting your online reputation.

**UPI Payments:** Integrate the NFC Standee with your UPI payment details to allow customers to make instant payments by tapping their smartphones, enhancing transaction efficiency.

**Events and Exhibitions:** Utilize the NFC Standee at events to provide attendees with quick access to information, feedback forms, or payment options, improving engagement and convenience.

**These standees are particularly beneficial in environments such as retail stores, restaurants, hotels, and event venues, where quick, contactless interactions are desired.**
